

Information for Poster Presenters

Poster Panel Size

Please refer to this visualisation of the poster panels to be used during the conference. *Poster dimension should be portrait with dimension 85 cm wide by 120 cm high.*

Please ensure that your poster does not exceed this size. When preparing your poster and considering how much of your display will be visible at eye-level. **It is recommended that you leave a margin of at least 3 inches (7.5 cm) around the poster**

Poster Panel Allocation

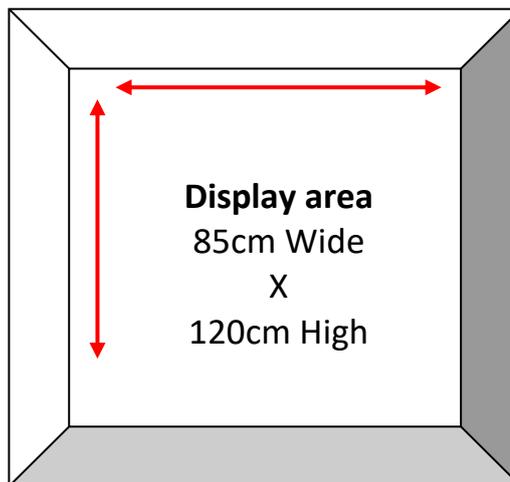

A numbered panel, according to those reported in the Poster program, will be allocated for each poster (.i.e. [P1A.01] [P1A.02]... [P1B.01] where P is poster and A, B, C etc.. are the categories). Staff will be on hand at the conference to provide your poster panel number.

Fixing

The Secretariat will provide the fixing materials for delegates.

Poster boards will be available to hang posters starting Sunday, June 25th from 16:30 p.m. until June 28th 13:00 p.m. You may also hang posters in the morning before the daily sessions begin. We ask that all posters are hung during all the symposium periods. Poster sessions will be held in Torino Hall. You must be present at your poster during your assigned poster session.

Poster numbers CAN NOT be changed and posters must be hung in their assigned location.

General Guidelines for Poster Production

A poster should be self-contained and self-explanatory, allowing different viewers to proceed on their own while the author is free to supplement or discuss particular points raised in inquiry. Presentations should be kept readable, simple and clear.

Poster Layout

Materials should be mounted on white poster board. Arrange materials in columns rather than rows. Title, authors names and affiliations should be reported on the top. The poster should also report aims placed at the upper left, experimental, results and discussion followed by the conclusions at the lower right.

Illustrations

Figures should be designed to be viewed from a distance and should use clear, visible graphics and large type. Each figure or table should have a caption. Additional essential information should be provided below in a legend. Photographs should have good contrast, sharp focus and, if necessary, an indication of scale.
